Mabel Paine Elementary School

Where every student is college bound!

September 2015

Dear Parents,

Welcome to the 2015-2016 school year! As the principal of Mabel Paine Elementary School, I welcome you and your child(ren) to this wonderful community. We are proud to have been named a 2010 California Distinguished School and to have recently celebrated our 50th year of academic excellence. We are looking forward to another meaningful and rewarding year here at Mabel Paine Elementary School.

This is the Mabel Paine Student/Parent Handbook. It is designed to answer many questions you may have regarding school rules and procedures. We hope you will find this information helpful. Please take the time to review the handbook with your child and to keep it for reference throughout this school year. Then sign and return the "Student-Parent Handbook Signature Page" that is in your child's first day packet. Please return to your child's teacher by Wednesday, September 9th.

Education is a joint venture with the parents, school district, and community. All of us working together as a **TEAM** can make the school year a very successful one for your child. We invite you to become an involved participant in our school. Be active in our PTA, attend our Back-to-School Night, Open House, and share in school programs and activities. Get to know your child's teachers and develop open lines of communication between the school and your home. By reading the school newsletters and notices that are posted on our web site www.mabelpaine.org on a weekly basis, you will remain informed about the ongoing events in your child's education. Your participation determines a commitment to your child's education in a visible way that is valued for a lifetime.

At Mabel Paine Elementary School, we value positive communication between children, families, staff, and the community. We enjoy the mutual sense of appreciation about the Mabel Paine community. We work together and plan school experiences that enrich the lives of our children, and we value contact between parents and staff as the means to secure the important connection between school and students' lives.

Please feel free to call the school office at (714) 986-7210 if you have questions. We are happy to have you with us and hope to see you at our Back-to-School Night, Thursday, September 17th at 6:00 P.M.

Best wishes for a very successful school year,

Tamara A. Beeuwsaert, Principal

MABEL PAINE MISSION STATEMENT

Mabel Paine's

Positive Behavior Intervention Support (PBIS)

Plan

P.O.W.E.R. Behavior Standards

In an effort to provide a safe and positive learning environment for all of our Mabel Paine Mustangs, our staff has developed and will continue to implement the Positive Behavior Intervention Support plan (PBIS) designed to create and maintain a safe school environment by promoting positive behaviors. PBIS is a system-wide approach to behavior management where the behavior standards are infused into every part of the school atmosphere. The acronym **P.O.W.E.R.** was created by the staff to help the students remember the standards expected of them in all aspects of their school day: **P**ride, **O**wn Your Actions, **W**ell-Prepared, **E**ngaged, and **R**espect. Every character trait or behavior taught throughout the year, relates back to the **P.O.W.E.R.** standards. The idea is to explicitly teach the expected behaviors and pre-correct student behavior before it becomes a problem. Teachers and staff members will catch those "teachable moments" in and out the classroom and use them to help students to learn about appropriate behavior, positive actions, steps to problem solving, being safe, being respectful, and how planning and preparedness leads to success.

It is important to keep in mind that PBIS is a process not a program, and we are five years into this **P.O.W.E.R.**ful journey. We will continue to have monthly incentive activities for students that earn a **P.O.W.E.R.** band (rubber bracelet) for exhibiting positive behaviors. Students who exhibit their Horse **P.O.W.E.R.** 80% of the time during each month will earn a **P.O.W.E.R.** band and gain entrance into the P.O.W.E.R. activity. In order to earn a **P.O.W.E.R.** band, students must do the following at least 80% of the time during the month:

- Turn in their homework nightly or weekly (depending on grade level)
- Be on time for school and ready to learn
- Follow the **P.O.W.E.R.** behavior standards in and out of the classroom
- Behavior Citations or Suspensions automatically disqualify them from the band and incentive activity for the month.

(80% = each student having NO MORE than four infractions [a combination of tardies, missing homework, and behavior mis-steps] per month in any or all of the aforementioned areas. This will be explained in more detail at Back-to-School-Night.)

I will be explaining the **P.O.W.E.R.** bands and incentive activities to the students at the annual Rules/Expectations Assembly, so your students are sure to come home excited about earning their bands and attending the fun-filled, incentive activities we have planned for them. Our PBIS plan will go into action the second week of school and students can start earning their **P.O.W.E.R.** bands.

We know you share our goal of providing a safe and positive learning environment for all of our students. Thank you in advance for your cooperation and support as we continue to implement our PBIS plan at Mabel Paine Elementary.

Attendance Phone #: (714) 986-7210 Option 3

Fax #: (714) 777-4398

Our phone system is an automated system that will allow you to select from a variety of options:

- ◆ To get the “dial-by-name” directory, press ‘2’. You will be prompted to press the first three digits corresponding to the person’s last name.
- ◆ To get the attendance line, press ‘3’. It is important to leave your name, your child’s name, teacher’s name, reason for absence, and number of days your child will be out. Remember that you still need to call the absence line if your child will be tardy. If you need to order a hot lunch for your child for the day he/she is tardy, be sure to include that in your message. If you then want to leave a message for your child’s teacher, you may do so on your child’s teacher’s voice mail. **Homework can then be picked up in the office after school is out.** It is also important that you call the attendance line early in the morning. MABEL PAINE SCHOOL POLICIES

The major function of school is to provide for the diverse physical, social, and academic needs of all students. This will best be accomplished when there is a clear understanding of responsibilities and expectations. The following is a list of student responsibilities that should be clearly defined to them and consistently enforced by staff and parents.

Consistency cannot be emphasized enough for it helps to establish an environment in which children function in a positive way. We want students to feel good about themselves, respect their peers and adults, accept differences in others, and demonstrate their Horse P.O.W.E.R. and PRIDE for their school. By following school guidelines and P.O.W.E.R. Behavior Standards, this goal can be achieved.

ACADEMIC EXPECTATIONS

Mabel Paine School has high and attainable academic and behavioral standards and expectations. As a school community our goal is:

“80% or more of the students at every grade level and in every subject area will demonstrate mastery of the intended curriculum, regardless of race, sex, socio-economic status, or national origin, over a period of three or more years.”

Students are required to make every effort to achieve their potential. Failure to make reasonable effort will result in lower grades. Additionally, students who continue to demonstrate a lack of effort may be denied certain special privileges. As a staff we realize student abilities differ and, at times, mitigating conditions may prevent a child from doing his/her best work during a brief period of time. Our teachers make adjustments to accommodate individual needs. If you have any questions or concerns about your child's progress, please call the school to schedule an appointment with your child's teacher or the principal.

HOMEWORK

Homework is an essential part of the learning process. Homework assignments are designed to reinforce and extend learning initiated in the classroom. Completion of routine homework fosters the development of good work habits. We encourage the collaboration of students, teachers and parents to ensure the successful completion of assigned work. As students mature, they are more able to work independently and parents play a supportive role in promoting student responsibility. To maximize the benefit from home, a parent's role in this process includes:

- Establishing a time and place to complete homework.
- Limiting interruptions during homework time.
- Regularly communicating with teachers regarding questions or concerns.

We urge you to take an active interest in your child's work and help ensure that assignments are completed and turned in on time. At the beginning of each year, teachers will provide guidelines regarding homework expectation in the classroom. Many teachers post information regarding homework and assignments on the Internet. Your student's teacher will provide information on how to access the website for his/her particular class.

What Parents Can Expect

Quality homework relates to the grade level standards and learning objectives and is a direct extension of classroom instruction. Homework includes clear instructions and performance expectations and is reasonable in quantity. Considering individual student needs, homework will develop a sense of student responsibility. On occasion, class assignments that are not completed during the school day may be completed at home. Parents/guardians should contact the teacher if unfinished class work is sent home frequently.

Advantages of Homework

- Keeps the parent/guardian informed about the curriculum and how well the student is progressing in mastering grade level standards.
- Develops a feeling of responsibility in the student.
- Helps reinforce and/or enrich the learning experience.
- Provides practice time so more content may be presented in class.

Placentia-Yorba Linda Unified School District HOMEWORK POLICY

While it is understood that the time it takes to complete homework assignments may vary with each child, the times below are the general guidelines for each grade level. Daily times listed are inclusive of studying for tests, assigned reading and assigned work.

In addition to homework assignments, research supports that nightly recreational reading to and with a child is extremely beneficial. The grade level expectations listed below may not apply to students in Independent Study Programs.

Students in Primary Grades: Homework may be assigned 3-4 times a week; No weekend assignments

Kindergarten – Up to 10-15 minutes per night

Grade 1– Up to 10-15 minutes per night

Grade 2– Up to 20 minutes per night

Grade 3– Up to 30 minutes per night

Students in Upper Elementary Grades: Homework times in grades 4 and 5 may also include long-term projects and are inclusive of assigned reading.

Grade 4

- Up to 40 minutes per night
- 3-4 times per week
- Occasional long-term projects

Grade 5

- Up to 50 minutes per night
- 3-5 times per week
- Long-term projects may be required

Frequency and quantity of homework is based on grade level. If your child requires considerably more or less time to complete assigned homework, contact the teacher to discuss the level of work for your child.

Parents are encouraged to provide a supportive atmosphere and means for carrying out successful homework assignments at home. Family responsibility includes more than just supplying a quiet study center, adequate lighting and seating, reference books and supplies. Be upbeat and positive in your encouragement to complete the assignment once begun, a minimum of interruptions, no distractions caused by television or radio, a regularly scheduled time allocation, and an appreciation of work well done.

AGENDA (Reminder) BOOKS /THURSDAY MAIL BAG

Third through fifth grade students will be using the Elementary Reminder Books again this year. These books need to be signed by at least one parent each Thursday evening and returned to school on Friday. This is an excellent opportunity for you to review your student's work for the week, note their assignments, and look ahead to the following week for any coming events at Mabel Paine.

The teachers will use this book to write notes to parents to keep you informed of student academic progress and behavior. Forgetting to take the book home for parental signature or forgetting to bring it back on a daily basis may result in disciplinary action.

Note: If your child has forgotten his homework and/or books, don't drive him back to school to retrieve it. Many times the teachers are gone and the child will not be allowed into the classroom. Encourage your child to call a friend for help. Please check the classroom teacher's web page for important information regarding homework. Our goal is for each teacher to update his or her web page on a weekly, if not, daily basis.

Another means we use to keep the lines of communication open between home and school is our website, www.mabelpaine.org, and check the "Thursday Mail Bag". It will be updated weekly with letters from the principal or office, PTA flyers, and school/community information, etc. For those students that are unable to access the Internet a "Thursday Communication Folder" will come home with your student every Thursday or you may stop by the office and copies will be available.

MONITORING PUPIL PROGRESS

Pupil progress can be monitored in many ways. In addition to quarterly report cards, teachers will send home mid-quarter progress notices showing whether your child is in danger of receiving an unsatisfactory grade or his/her effort/citizenship grades have dropped significantly. Teachers have many other ways to report academic progress and/or social behavior including email messages, phone calls, notes, weekly/biweekly notices, and work folders.

ATTENDANCE

PHONE: 986-7210 option 3

Punctuality and regularity in attendance play an important part in the development of your child's attitude toward his/her school life. In our experience we have found that there is a direct correlation between a student's attendance habits and his/her academic success. It is vitally important that students attend school on a consistent basis. Poor attendance is a major cause of low academic performance and may result in retention. All students are required to attend school, and **they are expected to arrive on time**. Repeated absences for any portion of the day are as critical as an absence for an entire day. Responsibility for attendance is both the parents' and the student's. **The school reserves the right to determine whether an absence is excused, unexcused, or truant. The school also reserves the right to institute procedures that may lead to prosecution of parents whose children fail to attend school as specified in California Statute.**

- ▶ Please keep your ill child at home. Good health is more important than perfect attendance. **Children are to be kept home for a full 24 hours after a fever returns to normal (below 100)**. Keep your child at home if he/she has a runny nose or cold symptoms, if their nasal discharge is yellowish or greenish; they may have a bacterial infection. Please keep your child home if the child is contagious. If antibiotics have been prescribed, do not let your child return to school until 24 hours after the first dose has been administered. Courtesy to other students and the staff, and the California Stage Health Code, requires that all communicable diseases be reported to the school office immediately.
- ▶ Please do not send your child to school, saying to them, "If you do not feel good, call home". Invariably, the child will come to the office to call home. If they do not feel that well, keep them at home.
- ▶ Absences and tardies are to be reported on the attendance phone line: 986-7210 option 3.
- ▶ Tardiness can be a serious problem at school. When a child is late, the teacher must stop instruction, change his/her attendance and lunch count, and review instruction at the time of that child's arrival. **Students are required to be at school and in their line-up area at 7:47 a.m.** Students MUST get a class admittance slip from the office for excused or unexcused tardies. If a student is tardy due to a doctor or dental appointment, present doctor/dental verification upon arrival at school in order to receive an excused tardy. **PARENTS ARE REQUIRED TO ACCOMPANY THEIR CHILD TO THE OFFICE WHEN THEIR CHILD IS LATE.** The office will keep track of tardies and notify parents if tardiness is a trend. Students will be given a warning letter on the third tardy. Students with repeated tardies will be required to serve after school detentions. The district Child Welfare and Attendance Office will intervene if warranted.
- ▶ If your child is going to be tardy, please call the school attendance line before 8:15 a.m. Be sure to state whether or not you want a hot lunch ordered; otherwise, there will be no lunch available at lunchtime and you will need to send a prepared lunch with your child.

- ▶ If you are requesting your ill child's homework (only recommended if your child is out for more than two days), it will be available at the end of the school day in the school office.
- ▶ If you know your child will be out of town for five school days or more please inform your child's teacher so we can have an **Independent Study Contract** completed for your child, and schoolwork can be taken with your child to complete during his/her absence. Please allow two weeks notice so that appropriate paperwork can be started and discussed with the parent. Please request an independent study contract only if you, as the parent, will ensure completion of all work and record keeping required. A detailed work log during the trip showing a minimum of four hours of work per school day is required. The Independent Study Contract, along with the completed schoolwork, is due back the first day the student returns to school.

Please call our attendance line if your child will be absent for the day or late to school. You can call this number 24 hours a day: 986-7210 Option 3.

ENTERING AND LEAVING THE PLAYGROUND

- * ***Children are not to arrive at school before 7:30 a.m.*** Children should line up in the area designated on the playground until the 7:50 bell rings and teachers arrive to accompany students to class. **Children arriving prior to 7:30 will be asked to call home; THERE IS NO SUPERVISION BEFORE THIS TIME.**
- * Students are to remain on the playground and out of the classroom, office, corridors, or patio areas prior to the time school begins, except on rainy days.
- * Children are to remain on the school grounds until time for the afternoon dismissal. The exception is those students who are checked out through the office by their parent or guardian. (Upon return to school the parent/guardian must sign student back in.)
- * When children are dismissed from school, they are to go directly home or to Child Care. There is no supervision for children to remain on campus. If a parent is detained from picking up a child on time, the parent must notify the school, and the child may remain in the office. If walking home, children should be encouraged to walk in a group.
- * We ask that parents NOT ask their child(ren) to meet them down the street from the school. The few minutes that may be saved by not waiting in the valet drive-through lane is not worth jeopardizing the safety of our students.

UPDATING SCHOOL RECORDS

It is very important that the office keep current telephone numbers of parent's place of employment and the name of a friend or relative who can be called in the event of an emergency when parents cannot be reached. **Please let us know as information changes.** It is imperative that at least one other name be listed under emergency contacts on the emergency cards. Also, in regard to this information, you may not call the school to release your child to a name not already on the emergency card. We need changes/additions to the card to be made in person at the school.

If you need to update your child's disaster kit emergency card that came in with their disaster kit, please do so through your child's teacher. These cards are kept in the classroom's emergency pack.

MEDICATION ADMINISTRATION

Proper medication forms must be completed before medication can be administered at school. ALL medications for your child, both prescribed and over the counter, require a special form to be completed and signed by both the parent and physician before authorized staff can administer them. Verbal permission and prescription orders are not acceptable. For further information contact the school office or refer to the Placentia-Yorba Linda Unified School District's Back-to-School Parent Information Packet. Note that parents are to bring medication to school in prescription bottle only or in original containers, along with clearly written instructions regarding its use. Dose, frequency, duration, and side effects are to be provided on the form by the physician. Students are not to bring the medication to the office; only parents. These regulations are formulated to protect all children. There is no school nurse on campus. Our district nurse spends time at many schools and the district's health center. She helps in providing vision, hearing, and scoliosis screening and in assisting classroom teachers with children with special needs. We do have a Health Clerk, who is generally here on Thursday mornings. She can be reached by calling 986-7210 x49042. If you need nursing assistance and health guidance, you may also call our district's Health Services Department at 986-7170,

LUNCH

Hot Lunch: (which includes milk) is available for those who wish to buy for \$2.50. Lunch may be purchased daily or money may be put on an account in advance. We do not have change in the office. If writing a check, make the check payable to ***PYUSD Food Services and list your child's first & last name in the memo section.*** We strongly suggest purchasing lunches on account as it avoids the need for students to bring cash that can easily be lost or misplaced to school. Please see the back of the September menu for current prices and further instructions.

Reminder: If your child will be late for whatever reason, it is important that you call in to our attendance line and note whether your child will be ordering a hot lunch. Otherwise, a hot lunch will be unavailable for purchase due to ordering from a central kitchen.

***The school does not have funds to loan money to students for lunch. Lost cash cannot be replaced. If cash is used, students are encouraged to bring their lunch money in a Ziploc bag, envelope, or coin purse.

Forgotten Lunches: Lunches or money for lunch that is brought to the office after the start of the school day will be kept in the office to be delivered to the lunch benches prior to lunchtime. To be certain a Noon Aide will pick up the lunches, please have child's lunch to office by 11:00 a.m. Your child's name, room number, and teacher's name are to be on the lunch sack/lunch pail/envelope. **Classrooms will NOT be disrupted to inform the student that his/her lunch is in the office;** therefore, remind your child that he/she should check at the lunch benches if he/she is expecting you to bring in a lunch or money.

Fast Food: We ask that you **do not** bring your students soft drinks or fast food (i.e. Carl's Jr., Taco Bell, Panda Express, McDonald's, etc.) as a special treat for lunch. These items are prohibited from being eaten at the lunch area on campus. However, parents are more than welcome to take their students out to lunch to enjoy a special treat together. The only time commercial or fast food **CAN** be brought onto campus is during our Family Picnic Days or for special class parties. The District's Health and Wellness Policy prohibits students from drinking soda during the school lunchtime so please make sure you substitute juice, milk, or water if bringing lunches to school.

Glass Containers: are **NOT** allowed at school. For those who bring their lunch, milk or orange juice may be purchased.

BIRTHDAYS

Student birthdays are celebrated in a variety of ways at the discretion of the teacher; however, we DO NOT permit food items, either homemade or store bought, to be brought to school. If you are bringing non-edible treats, please check with your student's teacher to see what time of day would be best. In addition, our PTA has established a Birthday Book Club. Children are invited to donate a new book to the Mustang Library to honor their special day. **Food items, Balloon bouquets, flower bouquets, or similar items are not allowed at school.** Please reserve these treats for home celebration.

REPORTING TO OFFICE

Children are not to come to the office without permission and a pass from either the classroom teacher or the yard-duty supervisor except in emergencies. Telephone calls are not allowed unless authorized by the classroom teacher or the principal. The office telephone is to be used by students only in an emergency, not to request homework, musical instruments, sweaters or jackets, and not to make after school arrangements with friends.

CLASSROOM INTERRUPTIONS – PIT – Protected Instructional Time

In an effort to cut down on classroom interruptions and increase student learning time, we have designated PIT – Protected Instructional Time. Every day from 7:50 to 2:15 is designated Prime Instructional Time. During this time we will not be able to make calls into the classroom unless in an emergency. Every time a request is made for a message to be relayed to a student or teacher in a classroom, the secretary in the office must relay the message by calling the classroom and interrupting the class. Since our primary goal is to provide a strong instructional program for our students we want to do everything possible to make the classroom instruction our top priority.

Please do not call the office to relay messages to your child unless it is an emergency. Inform your child before they leave for school in the morning of any after school plans they should be aware of such as:

- Who is picking them up after school?
- Do they need to ride the bus or walk?
- Do they need to go to childcare?
- What to do if it rains?
- Do they have their homework or special projects?
- Make sure their lunch is taken care of by seeing that they take their lunch with them to school or that they have enough lunch money for that day.

RELEASING CHILDREN DURING SCHOOL HOURS

We request that you make every effort to arrange medical and other appointments outside of the school day. If this is not possible and you are going to pick your child up before his/her regular dismissal time or during the day, please send your child with a note to the teacher with

the specific time of the appointment. Parents are required to come to the office, not to the classroom, at the designated time and sign out your child. Please allow 5 minutes to call your child up to the office. This will help give time to the teacher to gather work and other information to go home with your child. The teacher will not release children to adults, and children will be released only to those adults listed on the emergency card. Proper identification will be required. These safety procedures are for the protection of your child.

HEALTH AND EMERGENCY PROCEDURES

Other than minor scratches, bumps, etc., you will be notified promptly if your child becomes ill (with temperatures at or exceeding 100 degrees) or is injured at school. The school will follow the directions you give on the Emergency Card if you are unavailable. Please keep the Emergency Card up-to-date by notifying the office and child's teacher immediately of any change. It is the parent's responsibility to keep this information current.

If your child is sent home with a fever, he/she must stay home for another **24 hours after the fever has broken.**

Lice: If a student is found to have lice, he/she must go home, be treated, and be lice-free before returning to school. Upon returning to school, the child is to be rechecked by office staff before he/she can return to the classroom. If you have any questions regarding district policy and/or treatment you may contact PYLUSD Health services at (714) 986-7170

DISASTER PREPAREDNESS

Refer to the memo contained in first day packet. It is important that you keep the memo for future reference and keep the emergency cards up to date. Our district does have additional information on their website: www.pylusd.org

To reiterate emergency release procedures:

- Stay calm
- Form an orderly line at the check-in gate (main parking lot) and once checked-in line up outside the reunion gate (horseshoe lot near kindergarten) to meet your child(ren).
- Present driver's license or identification card to confirm identity

LOST AND FOUND

Every year the school lost and found contains many personal items of clothing that are never claimed. These items are donated to local charities twice a year. **To avoid losing your valuable clothing, parents are asked to clearly label all personal belongings with the child's name** so that lost items may be returned promptly. Please talk to your child to not bring valuable items such as jewelry, watches, electronic games, etc. to school. These items are easily mislaid and easily picked up.

Leave all articles of clothing where they are found. Do not take them to the office. The owners will return for them if they are left where they are found. The custodian takes articles of clothing and lunch pails that remain unclaimed on the playground to the "Lost and Found" area. Money and small objects may be taken to the office with teacher's permission (office pass). These items remain in the office until claimed.

If your child is missing a sweater, jacket, etc., please check our "Lost and Found" periodically. Many items remain unclaimed. Remaining items will be donated twice a year to a local charity.

STUDENT PROPERTY

NO TOYS are to be brought from home with the exception of items brought for sharing on a child's "share day" or something appropriate for that day's class curriculum with prior teacher approval. Any item, which is brought from home, is the responsibility of the child and will not be replaced at district expense.

If a student brings toys or non-permitted items to school, those items will be collected by the teacher and sent to the office where they will remain until picked up by a parent. Any item not claimed by the end of the month will be given to a charity. "Wheellie" shoes are not allowed at school and students will be required to remove the wheels from such shoes or call home for appropriate footwear.

SCHOOL/CLASSROOM VISITATION

You are cordially invited to visit your child's class. Your child benefits when the home and the teacher work together. The following are the District policies for visitations:

-  Requests to visit/observe a classroom shall be made to the school principal or psychologist at least three (3) days prior to the visits.
-  The request to visit/observe a classroom shall be reviewed by the principal or psychologist with the teacher prior to the decision to authorize or deny the visit. Visitations shall be scheduled to minimize disruption to classroom activities taking into consideration the needs of the school, the teacher, the parent and the student. In addition, visitations shall be limited to a specific area(s) of the campus and for specific times (no more than 20/30 minutes).
-  All visitors must be accompanied by the principal or psychologist. Visitors are required to sign in at the school office and receive a temporary identification badge prior to going to the classroom. Visitors must also check out through the office, returning the badge, before leaving.
-  Please keep in mind, the teacher will be unable to confer with you during class hours. However, the teacher will be happy to schedule an appointment to speak with you at another time.
-  Please leave small children at home.

VOLUNTEERS

Mabel Paine welcomes and values our volunteers. Without volunteers, many programs and activities offered at our school would not be possible. You will be given opportunities to sign up for various events, responsibilities, and/or classrooms at the beginning of the year and at Back-to-School Night. There is a form that is required for you to complete that your child's teacher should give to you. One copy is kept with your child's teacher and the other copy is kept in the office. Please remember that volunteering is a privilege, not a right, and classroom volunteers will be utilized at the teacher's discretion.

In order to ensure we have a safe campus, we require that all volunteers (or visitors) sign in and out at the front office upon entering and leaving campus. Identification badges/stickers are available and required for all volunteers/visitors in the office and must be worn before entering the campus. In addition, all gates are locked during school hours. Please keep in mind that District guidelines require that all children on campus during the school day **MUST** be registered students at Mabel Paine; therefore, no children/siblings are allowed in the classrooms when a parent is volunteering.

ALL volunteers must complete a *Placentia Yorba Linda Unified School District Volunteer Application Form* before working in the classroom. Volunteering is a privilege, not a right, and anyone not following the volunteer guidelines may be asked to leave by the teacher or any staff member. The forms can be obtained from the office or from your child's teacher.

PARKING LOT RULES

There is no meeting or deadline that is worth jeopardizing the safety of our children. Drop-off and pick-up times at Mabel Paine can become congested. Please observe the legal rules of the road and the Mabel Paine traffic policy. **Do not leave your car unattended along the red or yellow zones or in the drive-through lanes.** If you need to get out of your car, please park in a designated guest spot in the parking lot or on the street. Children should wait on school property (not on the sidewalk) to be picked up. Be considerate to other drivers and pedestrians and set a good example for the students.

For safety reasons, the OC Sheriff's Department recommends that students are to use the crosswalk at the parking lot exit ONLY. When crossing Plumosa Drive, students must use the crosswalk. Students are instructed not to cross if the crossing guard or other authorized personnel are not present. Parents are asked to set a good example by not crossing the parking lot except at designated cross-walk points.

For your information, the OC Sheriff's Department will be issuing tickets for all school parking lot violations.

CHOICE OF TEACHERS

In order to provide the best learning environment for all students, many factors must be considered. A qualified team will make the proper recommendation for the placement of your child. If you feel you have compelling or extenuating circumstances in this regard, please provide a written note to the school office.

STUDENT DRAG BAGS AND BACKPACKS

It is recommended by the American Chiropractic Association, the American Physical Therapy Association, the American Academy of Orthopedic Surgeons, and district administration that in order for students to carry books to and from school, they utilize either a drag bag on wheels that is not overfilled or a backpack with wide straps that is carried on both shoulders and weighs no more than 10 – 15% of the student's weight. It is also recommended that parents frequently check the drag bag or backpack to ensure that only necessary materials are carried and that they are within the suggested weight limits.

The district recommends a drag bag as a first choice. They should have sturdy wheels and feet, with a strong handle. Second choice is a backpack with wide straps and a waist belt. Purchase the lightest weight drag bag or backpack available without sacrificing sturdiness. Set up a time at least once a week to weigh your child's drag bag/backpack to prevent overloading. Flex-a-folders are suggested in place of notebooks for class work.

BOARD OF TRUSTEES

Our PYLUSD School Board generally meets the 2nd and 4th Tuesday of each month at 7:00 P.M. in the Board Room at the Placentia Yorba Linda Unified School District Office, 1301 E. Orangethorpe Avenue, Placentia.

PSYCHOLOGICAL SERVICES

The services of the school psychologist at Mabel Paine focus upon the unique needs or concerns of students, staff, and parents. Delivery of services may include individual psycho-educational assessment for those students referred for possible learning disabilities, monitoring of students in Special Education, and consulting to staff and parents regarding learning style, material modification, behavior management, and self-esteem of students.

The school has an established Student Study Team. Any time a teacher or parent has a concern regarding academic, social, emotional, or physical development; the concern should first be referred to and addressed by the classroom teacher. The teacher will implement interventions as needed to assist the student. After interventions have been implemented, a

student may then be referred to the school Student Study Team for further consideration. The psychologist, speech/language specialist, resource specialist, administrator, referring teacher, and, as appropriate, the parent and/or others working with the student are part of the team effort in meeting a student's unique needs.

SPECIAL EDUCATION SERVICES

The special education services provided for identified students are the Resource Specialist Program (RSP), Speech and Language, Occupational Therapy (OT), Adaptive Physical Education (APE), and Itinerant Hearing Impaired and Vision Impaired Therapy Programs.

INSTRUCTIONAL SUPPORT SERVICES

These services include Literacy Support through Response to Intervention (RtI), English Language Development (ELD) Programs, Gifted and Talented Education (GATE) Programs, some after school tutoring, Summer School, and accommodations within the regular classroom based on identified student needs.

Please consider joining this wonderful group as the work they do benefits all children in the school community.

VOLUNTEERS

Mabel Paine welcomes and values our volunteers. Without volunteers, many programs and activities offered at our school would not be possible. You will be given opportunities to sign up for various events, responsibilities, and/or classrooms at the beginning of the year and at Back-to-School Night. There is a form that is required for you to complete that your child's teacher should give to you. One copy is kept with your child's teacher and the other copy is kept in the office. Please remember that volunteering is a privilege, not a right, and classroom volunteers will be utilized at the teacher's discretion.

As such, the Board of Trustees will enforce the following penalties for student involvement with illegal drugs or alcohol and/or dangerous objects or weapons.

SCHOOL-INITIATED TRANSFERS

It is the belief of the Board of Education that in order to maintain a school environment conducive to the highest quality of learning and, at the same time, foster positive behavior changes in students, intradistrict transfers of students initiated by the school of attendance may be necessary.

Transfers initiated by the school administration are deemed to be in the best interest of the school and student when the student is unresponsive to disciplinary practices and efforts to develop consistent attendance and appropriate school behavior, or when the student is in need of a change in peer group.

Specific criteria for the initiation of an intradistrict transfer shall be specified in the discipline plans of each school site. Additionally, it shall be the responsibility of the school initiating the transfer to assure that the student and parent/guardian are afforded due process including, but

PROCEDURE FOR PARENTS REGARDING CHILD'S SUSPENSION - IN LIEU OF SUSPENSION

The Board of Education encourages the use of all available resources in the handling of disciplinary problems including the involvement of parents and guardians in the classroom behavior problems of their children. Teachers are, therefore, authorized, pursuant to Education Code 48900.1, to require that the parent or guardian of a pupil who had been suspended from the teacher's class for committing an obscene act or engaging in habitual profanity or for disrupting school activities or otherwise willfully defying the authority of a school employee, attend a portion of a school day in his or her child's classroom.
